If you're looking for a football club, why not give Thomson a go. Thomson boasts wonderful modern facilities and is a family friendly environment. Formed in 1953, Thomson has produced 3 AFL footballers and has won 10 Senior Premierships in that time, the last being 2018 and has featured in the finals at both Reserves and Senior level for many years. Thomson offers genuine Senior Football opportunities for those wanting to play at a higher level.

Football training will focus on player improvement with both skills and strength and conditioning but also give you a look into boxing training and Brazilian jiu jitsu. We also have a lot of employers looking for apprentices in the building trades for 2023

Training will start Monday 5th December at 5pm at Thomson. In the lead up until Christmas we will train Monday 5th, 12th and 19th December, all at Thomson and all starting at 5pm
