

Jack - The P-TECH Pioneer

Bendigo Bank

This is Jack's P-TECH story...

2016 - All year 9's were hearing about the brand new P-TECH Program - how it would work and what streams of study would be available in 2017. Jack participated in a series of industry visits to our P-TECH partner organisations, he did research on the industries he visited and learnt about the streams of study being offered. He also participated in an ice breaker session with the new mentors.

2017 - Jack - now in Year 10 - started a Certificate III in Business at the Gordon TAFE on a Wednesday afternoon and every alternate Monday afternoon he met with his mentors at Bendigo Bank.

2018 - In Year 11 Jack was offered a school based apprenticeship (SBaT) in Business at Bendigo Bank which enabled him to have additional hours working and learning the ropes. Jack is only the second SBaT to be offered by the Bendigo Bank in Australia.

2019 - Jack - currently in Year 12 is the proud owner of a Certificate III in Business. He has experienced valuable on the job training, participated in many staff training sessions and is gaining the important soft skills for work such as communication, critical thinking and time management skills.

Currently- Jack is completing Year 12 and he now has part-time employment as a Bendigo Bank Trainee Teller. He participates in all training being offered to the staff.

"Congratulations Jack and thanks goes to Bendigo Bank"
